RENDERING COURTESY OF DIAMOND SCHMITT ARCHITECTS

# UNIVERSITY OF CALGARY - HASKAYNE SCHOOL OF BUSINESS MATHISON HALL EXPANSION

## ABOUT THIS PROJECT

- + Technology-rich, innovative learning environment that facilitates meaningful networking opportunities across the University of Calgary and the surrounding community.
- + Expansion of Mathison Hall offers additional study space, a 300-seat auditorium, diverse learning environments, a student success centre, and dedicated space for activities focussed on entrepreneurial thinking.
- + Diverse learning environments designed to enable new ways of teaching and learning.
- + Targeted LEED Platinum and Net Zero Carbon certification according to the principles of the Canadian Green Building Council's certification program.
- + Incorporated high-efficiency mechanical systems, such as radiant heating and cooling, as well as heat recovery.
- + Underfloor air distribution reduced the building Thermal Energy Demand Intensity (TEDI) to less than 36 kWh/m<sup>2</sup>/year.
- + Provided energy modelling services to evaluate the energy performance of the expansion.

### LOCATION

Calgary, AB
